KIDNEY PATIENT CONFERENCE WALES

Covid-19: THE NEW NORM FOR KIDNEY PATIENTS

JOIN US VIA ZOOM FOR A VIRTUAL CONFERENCE WEDNESDAY 2ND SEPTEMBER 2020 BETWEEN 5.00 AND 6.00PM

THE CONFERENCE IS FREE TO ATTEND AND IS OPEN TO ALL PEOPLE WITH **KIDNEY DISEASE** ACROSS WALES.

The aim is to provide advice and guidance to kidney patients in light of the Covid-19 pandemic, as well as responding to questions as a result of the recent Kidney Care UK 'Worried Sick' survey.

Guest speakers will include:

- Fiona Loud** - Director of Policy Kidney Care UK
- Mike Stephens** - Consultant Transplant Surgeon at the University Hospital of Wales

For more information about guest speakers and to book your free place visit: kidneypatientconference.wales

We recommend you book early as places are limited.

Contact: **EMAIL:** info@kidneypatientconference.wales **TEL:** 07960 182525

Kidney patient Covid-19 update

ISSUE 9
OCTOBER 2020

Read the latest edition of your kidney patient newsletter. We hope this update helps you deal with an unsettling coronavirus across Wales.

COVID-19: the new normal for kidney patients

On 2 September 2020, Kidney Care UK, Kidney Wales and the Paul Popham Fund Renal Support Wales held their first collaborative virtual conference.

Diagnosis to treatment

Effects on household hygiene

Living independently whilst still dependent on dialysis
